

Family Voices Network Mentoring Series Module 1 (Intro)

Objectives

- Explore and discuss the dynamics of mentoring system of care youth.
- Explore and discuss the appropriate roles of a mentor and maintaining the right boundaries.
- Review, discuss the 4 Stages of the Mentoring Relationship.
- Examine issues of our own self-awareness and it's impact on the mentoring relationship.
- Review importance of working in conjunction with family and system teams ;versus “doing our own thing”
- Using natural community resources to support goals.
- Review FVN restructure of expectations and delivery under code 5206 Mentoring

Date: 06/12/2010

Time: 9:15-12:00

Location:

Ellicott/Masten YMCA

585 William Street
Buffalo , New York
14206

NOTE:

This is the first staff development offering of our new FVN Mentoring Staff Development & Training Series.

Session 2 is currently scheduled for initial delivery in the fall of 2010.

This training is currently voluntary, however we will begin the process of noting trained versus not trained mentors in our FVN via Family First and other communications with our families and family advocate groups.

Facilitator Background

Duncan N. Bethel, BSW, MS Ed, is currently the Director of Development & Training for CCNY. He has over 25 years of work with and/or on the behalf of youth and families in our community via work for community based organizations, child welfare, special education and children's mental health. In several of his positions over the years he has acted in direct roles that encompass the skill sets, knowledge base and expectations related to mentoring youth.

Registration Requirements

Registration is open to Family Voices Network vendor agency staff, Care Coordination, family members, care givers and natural supports. This work shop is **FREE OF CHARGE**. Registration opens Monday May 3rd 2010 and closes Friday May 28th, 2010. To register you can e-mail to dbethel@comconnectionsny.org; or call (716) 563-5082). Vendor staff can self-register on their own or via agency supervisor.
